No Worries knows how stressful planning a wedding or event can be. With over fifteen years of experience with weddings and events in all aspects of planning and execution, we know how to handle the details allowing you to enjoy this special time with your family and friends.

Even if you have selected your location and vendors, don't feel it is too late to hire a wedding coordinator. Our specialty is stepping in late in the planning process to help manage the details in the last couple of months, along with the Wedding Day events, to ensure a worry-free celebration.

The amount of time and stress we will save you is more than worth our fee. Discounted Invitations and Welcome Bags with every package. Please contact us for a customized proposal for your wedding.
